

## **Thank You for Supporting Habitat at this Year's Online Hoedown!**

This year's Online Hoedown was a big success financially thanks to our sponsors, those who participated in our Raffle, those who made cash donations, and those who participated in our first ever Online Silent Auction. Special thanks go to the dedicated team of volunteers who devoted their time to soliciting donations, helping in the mailing campaign, procuring auction prizes, selling Raffle tickets, designing and hanging posters, and encouraging their friends to participate in our fundraiser.

The winner of our Raffle was Bonnie Hollinger from Arnold. She will enjoy a week's stay at a beautiful condo on the white sand beaches of Cabo San Lucas.

The Online Silent Auction raised nearly \$25,000. Whether you won a prize or not, if you participated in the bidding, you contributed to the financial success of our Hoedown. Below is a list of our 2020 Hoedown Sponsors and the names of our Auction winners.

All revenue raised by the 2020 Online Hoedown will go towards the start-up expenses of our Copello Development that will result in over 100 affordable homes for the Calaveras County workforce over the next decade. Your support of our 2020 Online Hoedown will make a difference to the quality of life and economic health of Calaveras for years to come.
